Tools & Frameworks: Bootstrap CSS, GitHub, VS Code.

Soft Skills: Problem-Solving, Communication, Presentation.

PROJECTS

PROTOFOLIO

May 2025 — May 2025

Designed and developed a responsive personal portfolio using HTML5 and CSS3. Implemented Flexbox and media queries for cross-device compatibility. Included sections for About, Projects, and Contact, with clean UI and interactive styling.

IPHONE SITE CLONE

March 2025 — April 2025

Designed and developed a visually appealing website to showcase iPhone models and media features using HTML and CSS. Implemented modern layout techniques like Flexbox and responsive units to ensure optimal viewing on all devices. Added smooth transitions, gradient backgrounds, and interactive elements to mimic a real product landing page experience.

EDUCATION

January 2005 — March 2020

Willington English high school, Bengaluru

Bachelor of Technology - BTech in Computer Science and engineering

January 2022

Sambhram Institute of Technology, Bengaluru
